

Silver Fox Trot Cross Country Ski Race

A TDBanknorth Eastern Cup Event
Oak Hill • Hanover, NH • February 23, 2008

Supporting the Silver Fox Trot Race and the Ford Sayre Junior Nordic Team

The Silver Fox Trot ski race is an annual event bringing over 500 cross country ski racers, coaches, and spectators to the Upper Valley for one of New England's largest nordic events. The race is held at Oak Hill, adjacent to the Storrs Pond Recreation Area in Hanover, NH.

Hosting an event of this magnitude takes a tremendous amount of resources, both in terms of volunteer labor and financial support. We are hoping you will consider supporting this event and the aspiring nordic skiers in the Upper Valley through a financial contribution.
