Alpine Recreational Skiing / Snowboarding

Alpine Recreation Program - Wednesdays at the Dartmouth Skiway

The Alpine Recreation Program offers children of all abilities the opportunity to discover the excitement of downhill skiing & snowboarding in a fun and safe environment. The program is recreational in nature, designed to develop competent, safe, and happy lifelong skiers and riders. Classes are small and taught by volunteer instructors, except for the Kindergartners and Never Evers, who are taught by the Dartmouth Skiway staff.

Please note that appropriate equipment is required; waterproof gloves, ski pants and jacket. **Helmets and goggles are mandatory.** New and used equipment may be purchased at the Annual Ford Sayre Winter Sports Sale or rented from numerous vendors in the area: www.omerandbobs.com, skiway.dartmouth.edu, www.hendersonskis.com and www.golfskiwarehouse.com.

Day & Time: Wednesdays, 3:00-4:30 Jan 9th - March 6th (excl. Feb vacation)

Alpine Racing Programs

Racing Development (DEVO) – Birth Years 2010, 2011 & 2012

For the past 20 years, the Ford Sayre Alpine Racing Development Program (DEVO) has given enthusiastic young skiers the ability reach the next level in the sport by emulating the technique of the best skiers on the hill. All DEVO skiers become proficient enough to have a lifetime of fun in the sport, whether or not they choose to move on to competition as they grow older and stronger.

DEVO is designed for self-motivated young skiers who love to ski, have a solid foundation of skills (turning, stopping, controlling speed) and are eager to do more. Because this is not a learn-to-ski program, participants are required to have at least one full season of skiing experience and should be eager to ski the full variety of terrain at the Dartmouth Skiway. Participants should be ready to use ski poles and must be able to ride the chairlift with minimal assistance. The DEVO ski season includes miles and miles of skiing with coaches, age appropriate free-skiing drills, 1-2 big mountain days and introduction to ski racing elements to promote solid technical fundamentals.

The primary goal of the program is to instill a love of the skiing in our participants so they will continue skiing in whatever capacity that excites them. In addition, since this program is the entry level of the Alpine Racing Program, we hope that many children will move on from DEVO and give competitive racing a try.

Note for **2010 Birth Year** skiers: Children born in 2010 have the option to enroll in DEVO or the U10 program. Please contact the program heads or head coach if you need input on which choice would be most appropriate for your child. Factors to think about are skiing ability, maturity, and desire to learn to race.

Parents are required to work at one home races during the season (\$400 security deposit is required).

Program Fee: \$450 + [Ski Pass](#)

Registration Deadline: Deadline for registration is October 22, 2018

November Team Building: Sundays, November 4th, 11th, 18th 1 – 3pm

On Snow Training:

- *Informal Sunday Skiing:* Starting 12/2 at locations TBD until the Dartmouth Skiway opens. These are family ski days without formal coaching. It is a great opportunity for the kids to get some time on snow before the start of the DEVO program. Group lift tickets will be at a discounted rate whenever possible.
- Weekends (Sat/Sun) at Dartmouth Skiway 8:45am to noon, beginning Saturday, December 29th. Groups take at least one break during the training session.

appropriate progressions, which build on a race platform. We ski the entire mountain in virtually all conditions (and weather) to develop confidence through varied challenges and terrain.

Skiers in this group will participate in a range of events and competitions at other local mountains. These will likely include traditional alpine races, All-Mountain Challenges and Skills Quest events. There will also be big mountain days at areas such as Cannon, Stowe, and Burke. While many of the U10 skiers will have participated in the DEVO program in prior years, it is not a requirement. Skiers who are new to Ford Sayre should have at least two years of skiing experience including at least one year in a structured program.

Note for **2010 Birth Year** skiers: Children born in 2010 have the option to enroll in DEVO or the U10 program. Please contact the program heads or head coach if you need input on which choice would be most appropriate for your child. Factors to think about are skiing ability, maturity, and desire to race. *Parents are required to work at two home races during the season. Family max of 3. (\$400 security deposit is required).*

U12 Alpine Race Program – Birth Years 2007-2008

The U12 program is designed for skiers who are excited to ski race and challenge themselves on the hill. This program accommodates many levels in a fun and supportive environment where children progress rapidly and enjoy the process of working through a ski racing year from early season dry land, to on snow training, to the State Finals or Championships. Ford Sayre is known throughout New Hampshire for being the most spirited team and is always respected for the quality of its competitors and for their sportsmanship. This is the perfect program for those who want to progress quickly and who have an interest in competing.

Parents are required to work at two home races during the season. Family max of 3. (\$400 security deposit is required).

Ford Sayre Academy (Alpine)

The Ford Sayre Academy is nationally recognized for its unique quality academy-style program integrated with a public school. Academy athletes are dedicated ski racers age 14 or older (U16, U19 and U21 athletes) who are interested in pursuing ski racing at all levels. Athletes may opt to train either part-time or full-time. Full-time athletes arrange their academic schedules so that they are dismissed at 12 noon, allowing them to travel and train during the day. The FSA full-time athlete is required to keep up with his/her missed academic classes by hiring a tutor. This allows the student/athlete to achieve the highest individual academic and athletic goals. Racing calendars are dependent upon individual athletic goals and competitions are available in State, Regional, National and International races. Parents are required to work at certain home races throughout the season.

Program Dates: November 4th 2018 to March 31st 2019 (start/end date could vary by a day or two)
Training: Varies depending on Full or Part-time : Tues, Wed, Thur, Fri. 12 – 5; Sat, Sun, and vacations 9 – 1
Locations: Dartmouth Skiway and other regional areas
Program Fees: TBD, depending on Full or Part-time option
USSA Member: \$140 **NHARA Fee:** \$30
Ski Passes: Each athlete is responsible for his/her own season pass or daily lift ticket.

Freestyle / Advanced Mountain Skiing

This program, where Hannah Kearney got her start, is geared for strong intermediate and advanced skiers who can ski all terrain comfortably and confidently. Traditional freestyle skiing (Moguls, Big Air and Slopestyle) is the backbone of the program with an additional focus on advanced all-mountain skiing (powder, tree skiing, etc.). Twin tips preferred and helmets required. Our goal is to teach students how to tackle the different elements of Freestyle skiing and to strengthen their all around/all-mountain skiing skills. Overall, we want the students to learn how to have fun skiing in a variety of ways over a wide array of terrain.

Day & Time: Wed. 3:30 – 5:30
Program Dates: January 2nd – Feb 27th (excl. Feb. vacation)
Place: Whaleback
Program Fee: \$135
Ski Passes: Each athlete is responsible for his/her own season pass or daily lift ticket.
Program Size: Minimum of 8; Maximum of 12

Ski Jumping

The original X-treme sport. Train alongside one of the top High School jumping teams in the state. Nordic Jumping allows skiers to develop the skills and confidence necessary for safe and enjoyable ski jumping. Skiers progress from small to larger jumps, advancing at their own pace. Beginning jumpers may use their alpine skis, eventually transitioning to jumping skis. Jumping equipment is available for use at no added cost. Helmets are mandatory. Work with former Olympians Mike and Joe Holland.

Day & Time: Mon. & Wed., 6:00 – 7:30 pm
Start Date: January 2nd
Place: Roger Burt jumps at Oak Hill, Hanover

Bill Koch League (BKL) Nordic - Grades K to 8

Whether this is your introduction to nordic skiing or you're a competitive youth skier, the emphasis of the BKL program is on having fun and developing a lifelong love of Nordic skiing.

As Bill Koch remarked, "*A love of sport, competitive or recreational, opens the door to fun, play and joy. Positive skiing experiences for all our children are paramount. Not everyone can come in first, but everyone can challenge him or herself, learn from experiences, encourage each other, and celebrate together.*"

Important Notes - Please Read:

- Children in Kindergarten through 2nd grade will participate in a program with ski practice on Tuesday afternoons;
- Children in 3rd to 4th grade will participate in one program with ski practice on Tuesday and Thursday afternoons;
- Children in 5th through 8th grade will have two program choices that have practice on Tuesday and Thursday afternoons. The programs have different emphases, objectives, and equipment requirements.
- A subset of children in the 5th to 8th grade development/racing program may participate in the Friday Race Clinics. Interested and experienced 7th and 8th graders will also have the opportunity for a Weekend Program this winter.

Location of practice can vary, but will primarily occur at:

- *Oak Hill*: Oak Hill Drive, Hanover, NH; top parking lot of the Storrs Pond Recreation Area
- *GariPAY Fields*: 9 Reservoir Rd, Hanover, NH; near the Dartmouth Rugby Fields

These locations are within walking distance of the Ray School and Richmond Middle School. Verification of location will be sent by e-mail and posted on the Ford Sayre BKL website the night before practice.

Cancellation of practice: Practice will be cancelled if the Dresden School District is closed, including snow days, early dismissals, or school vacations, OR if conditions are dangerous to children (cold temperatures, unsafe or icy trail conditions).

Practice times: Weather and trail conditions permitting, duration of practice may be extended in February to coincide with the longer daylight hours.

Participant Behavior Code: We expect that Ford Sayre nordic skiers will follow coaches' instructions, make an effort to stay with the ski group, not interfere with other skiers' learning, and generally maintain a positive attitude. Should a participant not be able to follow these expectations consistently, the age group Lead Coach or BKL Head Coach will call parents to discuss. If the pattern of behavior continues, the coaches and Program Director may determine that the BKL program is not a good fit for the participant and the parent will be notified. The program reserves the right to remove any participant from the program if inappropriate behavior cannot be modified.

Refund Policy: Please note that \$40 of the program fee is non-refundable. Refunds of the remaining program fee will be issued at the discretion of the Program Director. Refunds cannot be granted for sessions not attended or canceled due to weather or safety factors.

Questions: Please contact the BKL Program Directors should you have any questions about enrolling your child in the Ford Sayre nordic programs for the upcoming season.

Co-Program Directors:

Kelly Dent, 603-667-8512, JuniorBKL@fordsayre.org (Grades K-4)

Jane Phipps, 802-359-3868, BKL@fordsayre.org (Grades 5-8)

BKL Grades K-2

This program is geared toward our youngest children who are in Kindergarten through 2nd grade. Children will learn fundamental skiing skills of agility, balance, and coordination with a focus on ski play and fun.

Prior Experience: None
Grades: Kindergarten through 2nd grade
Technique: Classic
Equipment: Waxless classic skis (no poles for Kindergarten skiers)
Practice Schedule: Tuesdays, December 4th thru March 5th, 3:30-4:30pm (likely extending to 4:45pm in February, depending on conditions) & Ford Sayre Silver Fox Trot Festival, January 19
Location: Garipay Fields (Hanover, NH)
Program Fee: \$110
Trail Pass: Our program fee covers the cost of using Dartmouth's XC trails during practice. If you wish to ski outside of practice, please purchase a daily or seasonal trail pass from Dartmouth.

Program Director: Kelly Dent, 603-667-8512, JuniorBKL@fordsayre.org

Volunteer Requirement: For every child enrolled in the program, one parent/guardian must volunteer for a minimum of one volunteer session. More details will be provided at a later date, but there will be volunteer opportunities on & off snow, before, during & after practice times and during Ford Sayre events.

Registration for the K-2 program closes on November 20th. Late registrants must contact the Program Director to apply, will be subject to a \$35 late fee, parent must volunteer on snow, and is provisional based on us meeting our coaching ratio requirement.

BKL Grades 3-4

Our 3rd and 4th grade program teaches fundamental skills for the classic and skate skiing techniques. Having fun, while developing skills through play, will be an integral part of practices. For children interested in racing, Ford Sayre coaches will provide encouragement and support at local and regional races.

Prior Experience: None
Grades: 3-4
Technique: Classic & Skate
Equipment: 2 separate pairs of skis (classic & skate skis) OR 1 pair of combi skis; 2 sets of poles (classic & skate lengths) & 1 pair of combi ski boots.

NOTE: We highly recommend 2 pairs of skis for 3-4 grade skiers (one pair of classic skis and one pair of skate skis). Technique-specific skis often lead to more rapid skill progression, and reduce the time needed to wax and maintain skis. If cost is an issue, skiers may select 1 pair of combination ("combi") skis that work for both

Program Director: Kelly Dent, 603-667-8512, JuniorBKL@fordsayre.org

Registration for the 3-4 program closes on October 31st. Late registrants must contact the Program Director to apply, and will be subject to a \$35 late fee.

BKL 5th-8th grade, Adventure

This program is designed for skiers and families who prefer the recreational approach of skiing, the ease of waxless classic skis, and the opportunity to readily access and explore our local wilderness. The program will include skiing adventures on and off the groomed trails. The program emphasizes adventure, exploration, fun, and skill development. Practice may also include learning about wilderness safety, orienteering, leadership skills, and exploration of the skate skiing technique. This program promotes skiing for health and fitness and as a lifelong sport.

Prior Experience: None

Grades: 5-8

Technique: Classic, with optional exploratory skate skiing

Equipment: Waxless classic skis required for classic technique days and may also be used on the exploratory skate technique days. Additional pair of Skate skis or combi skis are optional for the skate technique days.

BKL 5th-8th grade, Development/Racing

The Development/Racing program is dedicated to the teaching and improvement of proper classic and skate techniques, and emphasizes foundational skiing skills such as balance, speed, and agility, while also building fitness and having fun. The various levels of skier abilities will be accommodated by smaller groups. Skiers will be strongly encouraged to participate in local and regional races. Coaches will support skiers through races, including individual goal setting, waxing skis on race day and cheering. Skiers and families are expected to learn to wax and maintain two sets of skis (classic and skate).

BKL 7& 8th Grade Weekend Program

For 7th & 8th grade skiers who are passionate about ski racing and who desire a more focused training regimen, we are offering a 4th program day on weekends this winter. This additional day (either Saturday or Sunday each week, depending on race schedules) will include over-distance training on land (roller skiing, running, hiking), on snow (skiing!), and some extra race opportunities (citizen racing and/or Eastern Cup). Skiers will work with coaches to develop and maintain a training log that will include elements of distance, intensity, and strength. Families will be responsible for transportation to practice and races, and any additional trail passes & race fees.

****Please note that the offering of this program is contingent upon the employment of the appropriate coaching staff. Any questions, please contact Head Coach Jay Davis at headcoachbkl@fordsayre.org****

Prior Experience: Program is open to 7th & 8th grade skiers who participated in the 7th & 8th grade summer program. Other interested 7th & 8th graders must have a conversation with the Head Coach (headcoachbkl@fordsayre.org) to discuss participation prior to registration. Must be enrolled in the Development/Racing Program AND the Friday Race Clinics.

Junior Nordic Team: U16, U18, U20

The Junior Nordic Team is for 9th through 12th graders who want to continually improve their racing skills and develop a lifelong appreciation of the sport. This program emphasizes skiing improvement, competition, and the development of athletes with skills in all facets of Nordic racing. Skiers with regional and national goals will find the low athlete/coach ratio and team dynamic advantageous. The benefits of this program include: personalized planning, an emphasis on personal responsibility as a young adult, technical instruction, and team logistical support for practices and races coupled with the flexibility to adapt to each skier's individual goals and schedule. This program is designed to be a skier's primary (only) ski team. Skiers should plan to participate in the majority of Ford Sayre supported NENSA races (single and multi-day trips across New England) and are expected to keep a training log. Enrollment is limited to 19 skiers and is contingent upon previous Nordic racing experience and consultation with the coaches. The program runs Nov through March. A summer training program runs late June through mid August (separate registration in June).

Ford Sayre Nordic Club

Who says the kids get to have all the fun? Ford Sayre is offering a club for the high school age and older nordic skiers of the Upper Valley and we hope you'll join us. Whether you are a racer, a recreational skier or a parent new to nordic skiing, this is a great opportunity to enjoy the lifelong sport with old and new friends. Racers are encouraged to register and race using the Ford Sayre affiliation and uniform. You will have access to a Google Group for snow reports, equipment for sale, and information on local events. All club members are encouraged to share ideas and help shape the future of this nordic club. In particular, we are looking for adult club members to volunteer to organize an event for which you are passionate and wish to share your enthusiasm with other skiers (e.g. biathlon clinics, backcountry ski, summer training events, weekend hikes, technique clinics, evening ski outings, potluck dinner, day trips to a nearby touring center...). Please contact the Program Head if this interests you.

Program Fee: \$20 per family or adult
