Ford Sayre Junior Racing Mission

The Ford Sayre Junior Alpine Program strives to provide athletes with the best training and racing experience to reach their maximum desired potential. Instruction is age-appropriate with a primary focus on mastery of fundamental skiing skills followed by the development of racing tactics and technique. We strive to meet athletes where they are on a mental and physical level and provide a positive environment for personal growth. We take advantage of our unique training venues in the Upper Valley, while introducing kids to surrounding mountains and terrain to foster passion and appreciation for the sport of alpine skiing.
